EDINBURGH FESTIVAL FRINGE 2014

RULES

1. The performer cannot have performed stand up REGULARLY either paid or unpaid before 1st June 2013. *
2. The performer cannot have performed any stand up, either paid or unpaid prior to 1st June 2012.
3. The performer should not have appeared in So You Think You're Funny? before.
4. The performer's material must be completely original.
5. The performer must have at least 8 minutes of original material.
6. The organisers reserve the right to select all entrants and decisions taken by the organisers and judges are final.
7. All entrants must be aged 18 and over.

* This means you can have performed, either paid or unpaid before June 2013, but not regularly. So a handful of gigs well spaced out, once or twice, every couple of months is fine, but performing 2 times a week is too many. The exception to this is those who have performed as part of a recognised comedy course in this period.
